Available now

Product Specification

Introducing the ARB Aluminum Compact Camp Table, the perfect size for packing neatly away into your vehicle, yet big enough to get a family of 4 around.

Made from aluminum, the design utilises a full diameter aluminum slat providing a strong sturdy surface, as well as heat resistance for cooking preparation. A great place for dinners or another storage spot to keep your camp items off the ground. Cross braces are used to provide additional support, connecting the table surface to the legs and a 22mm square tube leg provides a unique sturdiness not seen in similar tables. Pack up size is great, estimated at around 88(L) x 21(W) x 12.5cm(H), which is all neatly stored away in a compact 600D nylon PVC backed bag.

Product Features:

- Table surface size – 86(L) x 70(W) x 70cm(H)
- 22x22mm black anodised legs
- 600D PVC back nylon carry bag
- Table can hold up to 30kg when assembled
- Unique table pins to keep table together if moved
- Folds up easy for carrying and compact storage
