

# Fitting Instructions #1990IS

Mazda MX5 / Eunos Roadster

*Rear Control Arm Lower Outer Bushing*

---

- Four metal washers are included in this kit:
  - 2 x 14.25mm ID, 43mm OD, to be fitted under the head of the bolt;
  - 2 x 13mm ID, 38mm OD, to be fitted under the nut on the other end;
- This will apply to each side of the vehicle.
- These washers are used to captivate the polyurethane cotton-reel.
